

Radiant Earth, Radiant Being

Women's Rite of Passage Retreat and Support Group

A sanctuary for female-identifying folks moving through life transitions and/or seeking deeper connection with themselves. Unfurl into greater clarity and aliveness.

Preparation

Begin the journey by connecting with a supportive community, sharing intentions, and preparing mentally and emotionally for the transformative path ahead.

Wednesdays ONLINE
6:30-8:30pm
5/29, 6/5, 6/12

Ceremony

The heart of the experience is a 48-hour wilderness solo sit. Embrace simplicity and self-reflection through fasting and solitude. As you bask under the vibrant solstice sun and starlit nights, this period becomes a sacred space for insight. Removed from daily distractions, listen intently to your inner voice and the whispers of the wild. We will come together as a group before and after the solo time, process together in council circle, cleanse in a sauna, move, reflect, and be witnessed.
